## CHRISTIAN SCIENCE CHURCHES

"Adam and Fallen Man" is the subject of the Lesson-Sermon on Sunday in all Churches of Christ Scientist, branches of The Mother Church, The First Church of Christ Scientist, in Boston, Massachusetts. The Golden Text consists of Jesus words: "It is the spirit that quickeneth: the flesh profiteth nothing." Among the Bible selections in the Lesson-Sermon are these words of Jesus, from the Gospel of John: "And this is the condemnation, that light is come into the world, and men loved darkness rather than light, because their deeds were evil. For every one that doeth evil hateth the light, neither cometh to the light, lest his deeds should be reproved. But he that doeth truth cometh to the light, that his deeds may be made manifest, that they are wrought in God." A passage from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy, states: "When we wake to the truth of being, all disease, pain, weakness, weariness, sorrow, sin, death, will be unknown and the mortal dream will forever cease."

Mme. Teala Billini will resume the position of choir director and organist at St. Andrew's Episcopal church, a position she held for three years until she was forced to discontinue the work last winter due to illness. Members of St. Andrew's consider themselves fortunate to have a musician of her ability as choir director and organist.

Mrs. Billini replaces James Howe, who has served as choir director and organist since Easter. Business interests prevent Howe from continuing. The choir recently gave a party for Mr. and Mrs. Howe at the home of the vicar to show their appreciation for his loyal and valuable service to the church.
